We are a friendly, professional, chimney sweeping and cleaning business based in Petersfield Hampshire.

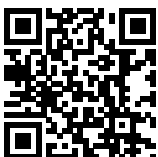

We carry out a wide range of services including Wood burner and Open fire sweeps.

Chimney Sweeping:

The majority of the time we sweep chimneys using the traditional method of rods and brushes which is incorporated with modern practices.

This involves fully sealing appliances, fire places and using a specialist industrial vacuum to prevent soot entering the room.

Once a chimney sweep has been carried out on your wood burning stove, multi-fuel stove, open fire (solid fuel or gas) or inglenook, a smoke test is carried.
