2011 Lunar Ultima 546. Excellent condition. Best colour combination interior. This is the top of the range Lunar caravan and is a higher specification version of the Lunar Quasar 546 and is quite rare. The specification includes heavy duty corner steadies, luxury curtains and fabrics, large Heiki Lux Skylights, remote controlled alarm, al-ko shock absorbers , 4 burner hob (1 electric and 3 gas), Aspire 42L oven, Alloy wheels, al-Ko spare wheel carrier, ATC Trailer Control system, and many other extras. The caravan also has a self contained shower cubical. The caravan is in excellent condition and comes with water carriers, waste water carrier, light weight awning and other items. This is a fantastic caravan for families and has the option to close off the bunks section once the children are in.
