WARRANTY HTC ONE M9 1 32GB Silver Gold Unlocked Box Case PowerBank 8GB Mem Card Android Mobile Phone. Thanks for taking your time out and looking at my ad. With the mobile phone, you will get two USB leads, manual, sim eject tool, Poetic shockproof case, 8GB memory card, adapter for the memory card, power bank, and the original box. This phone is also unlocked to all networks so its ready to be used and has no issues at all. It also consists of a 32GB memory capacity and I will also include an 8GB memory card so in total it consists of a MASSIVE 40GB memory. The case is a shockproof case which protects the phone from any damage. There are a few slight little marks which have to be looked at closely in order to see them but nothing which affects the use, the screen is in IMMACULATE condition. I checked online and the phone is still under the factory warranty which will expire on 29 March 2017. It's a great phone with great features such as BEATS audio so grab yourself a bargain. I can post at extra cost if needed or cash on collection. Buy with confidence, if you have any questions please feel free to contact me on 07904705565 079047055...(click to reveal full phone number) may swap £210 ;
