Occasionally we take in a vehicle that's just too good to trade on. These have often been lovingly cared for by previous owners but just don't quite reach our normal retail parameters due to age or mileage on the vehicle. These vehicles are priced much lower as they don't come with the normal service, habitation check and warranty. However they do come with a new MOT (if less than 6 mths remains), MDG Gas safety check, valet and basic handover on collection. If you would like to view this vehicle please call 01202 673735 01202 6737...(click to reveal full phone number) to arrange an appointment or why not pop on down to see the vehicle for yourself. Be quick as these vehicles are in high demand due to their lower-than-retail price tag!
