Description Reluctant sale: Too big for our needsn now have smaller dogs! Over the last 10 years we have found this car to be very economical and extremely reliable. Good condition just a scrape on the front bumper and usual scratches for a car this age. It has been very well looked after and very well maintained over the years and sailed through the last MOT, next MOT due October 2016. Has genuine very low mileage for a 2002 car. These honest old estate cars are always reliable and so cheap to maintain, these old Astra's just keep on going.
