Perfect example of a well looked after Mini Cooper in top condition that's great fun to drive, handles very well and sounds amazing. This mini also comes with both the panoramic sunroof and air conditioning which is a rarity and is great in the summer! 2002 Silver Mini Cooper with 108,000 Miles on the clock (will go up slightly) with Full Service History and the next MOT JAN 2017. Just had 2 new front tyres & 2 anti roll bar drop links. This mini cooper features several upgrades and feature combinations that you won't find on your average mini, such as the SPAX Krypton gas uprated shock absorbers with a full set of coilovers. This basically allows you to adjust the ride height of the car & gives better handling. Mini Cooper S 17 inch 8 spoke alloys all round - in black. Mini sports stubby aerial along with a Sony aftermarket radio that's capable of playing radio, CD or via AUX. This mini also has a Mini Sport Cat Back Exhaust - this sounds great yet isn't over the top. And a K&N Cone air filter. Now on to the rest.. Automatic Stability Control + Traction (ASC+T), Leather 2 spoke steering wheel, Alarm System, Heated windscreen washer nozzles, Rear Spoiler, Chrome exterior detailing, Electric glass sunroof, Height adjustable driver + passenger seats, Front sport seats, Fog lights front and rear, Air conditioning, Chilli Pack, Half Leather Seats, Electric Windows, John cooper decals, 5 speed manual, 3 door hatchback, Rear Parking sensors, tyre pressure monitor, central locking, folding rear seats, tinted rear windows, Driver & passenger airbags, 17" Cooper S alloys, brighter LED interior and boot lights, LED side lights. This car does have age related marks which is to be expected and is unfortunately missing the parcel shelf from the boot. Comes with 2 original keys. Just been valeted. First to see will surely!
