Location **Yorkshire and the Humber, North Yorkshire**

Im selling my faithful little runaround.
 Ive owned this car for 3 years and it has passed its MOT first time everytime whilst Ive owned it.
 It has had both rear springs replaced and had 2 new tyres.
 Starts every time.
 The car has 2 remote central locking keys, PAS, a sunroof, electric windows, alloy wheels and a CD/radio.
 It is taxed until end June 2016. 104,000 miles on the clock.
 Please keep in mind this is an old car and therefore the mileage reflects average mileage for a car of this age.
 The car has always been reliable for me.
 It has a couple of small dents which ive tried to photograph and the driver side window doesnt work.
