SELLING FAST!!! - ONLY 2 BOYS & 2 GIRLS REMAINING!!! Litter of nine Beautiful Caucasian Shepherd / Ovcharka puppies which were born on the 5th march and are ready now. You will notice in the photos that many of the puppies are the lighter, more desirable colours and we are told by the experts that they are all likely to get lighter as they get older therefore the price will vary by colour. **ONLY 2 GIRLS AND 2 BOYS REMAINING AS OF TODAY (10-6-2016)** Fully wormed, anti flea treated, micro-chipped and fully vaccinated up to date. Born and raised outdoors with mother (who is here with puppies) so are able to live both indoors or outdoors. In the photos you will see all the puppies, mum and dad. These will be large dogs so please research the breed as new homes must have plenty of room. Raised with children, adults, other dogs and pets. The puppies are extremely friendly and loving. An extract of information about the breed

Undemanding, not keen on games of chase or tug they are more likely to show affection by quietly leaning or rubbing against a family member or simply investigating as you go about your business and when you are quiet they will usually follow suit. To view and reserve/collect please contact us. Starting from £800 (varies by colour) Mobile Numbers:
