Upholstered footstool, can be used against a wall as a bench/mini sofa. Bought from Habitat for £loads quite a few years ago now. Ideal for an upholstery project or could be covered with a throw and cushions. In perfect condition, structurally, but the original cover is worn, ripped and stained. I had a cover made years ago (folded in pics) but this is also marked, although may respond to dry cleaning or even a machine wash. Measures L140cm x D64cm x H40cm. From a smoke free home, has lived with and without cats over the years. Available for collection from Lindfield. On other.
