The new Samsung Galaxy S7 edge boasts the first Dual Pixel camera on a smartphone, delivering brighter and sharper images, even in low light. Thanks to the revolutionary Dual Pixel technology, brighter lens with wider aperture, and bigger pixels, the camera has a faster shutter speed and a more accurate autofocus even in low-light conditions. Motion Panorama, a new camera mode, brings movement to traditional panoramic photos, giving the user a completely immersive visual experience. The 5.5-inch Samsung Galaxy S7 edge is constructed with 3D glass and metal - all in a sleek design with durability and ergonomic curves for a comfortable.
