

Satin wood half-moon table (35 GBP)

Location **London, London**

I am selling a polished satin wood 'demi-lune' (semicircular) table. It makes a great hallway/lounge table on which to place a vase of flowers, key tray, lamp, etc. You could also use it as a dining table if you have limited space.

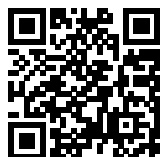

Size: length 121cm, width (at the widest point): 61 cm

Looks very nice and without corners you won't be constantly bumping into it! I am reluctantly selling this table as I am moving into furnished accommodation and simply have no room for.
