I'm looking to sell my handmade Tardis cat house, Recently complete.
 Details: Base, roof, doors, sides and back are made from MDF, Panels on the doors and sides are solid pine, Feet are solid pine, Police signs on the roof are pine. The floor, sides, ledges and roof are covered in a good quality carpet, There is ribbon and bells attached to the corners of the ledges. Windows are made from a durable pvc plastic, There is a total of 17 individual handmade curtains on the windows, Cat flap on the bottom of the right door and on the box inside. There is also three handmade Dr who cushions with a hollow fibre filling. The handles on the door are an antique bronze colour, Sign on the left door is metal and measures 6inch by 8inch. There is 100 LED's installed between the roof and the police signs, Each police sign has 6 lights, 3 on each side of the sign, The rest of the lights are installed in the roof, No wiring can be seen from the inside. The plug for the lights runs down the back and there are various settings for the lights. Tardis dimensions: H: 108cm
 W: 64cm
 D: 64cm You will not find something like this in the shops, One of a kind.
 Due to the size of this it would have to be collected by the buyer.
