Breeding trio of Indian Star tortoises for sale, the ages are 20 plus so they are very mature. This is a very reluctant decision as I have been forced to downsize due to personal circumstances so I'm only looking for good homes. The tortoises are a very good size and weight, laying around 15-20 eggs a year. The tortoises have been grown on a natural diet and are healthy with nice shells. I would be open to serious offers on the pair/group however if i was to split then male £600, females £1000.
