Running costs can go a long way to helping a car sell itself, we all know the government figures aren't completely accurate as realistically you wont be driving it on a rolling road in a temperature controlled room with no wind/hills etc... But seriously, these things are great, the Diesel engines always show off when it comes to the ridiculously low tax and stupidly good fuel consumption the average on this is 74.3 MPG (So they say) and I'd be realistic in saying look closer to 65 MPG and you're still laughing! Tax is nothing, literally... it's free to tax, which is a great feeling when it comes to the renewal, I'm sure for those of you that have those heavy hitting tax band vehicles something like this would make life an awful lot easier!
