Mine is a 3 bed terrace house, it's not on an estate, close to all amenities, Inc, a lido opposite, great outdoor facilities, lots of parks woods, places of interest, our library is in a Jacobson Manor house, very close to Greenwich, o2,docklands. It's a lovely house, large back and front garden, 1930s build. Fire places ect. I would like to move to hastings, I can accept a 2-3 bed property, I will consider most places, it needs to be within walking distance to seafront and ideally not too high rise block. I have a dog so would need an outdoor area, We can exchange photos via WhatsApp. But initially please email me. I'm very serious and please only contact if you are also. ;
