The property is ideally located near Marina Hemingway and Club Havana for those who enjoy being relatively close to water and are interested in activities close to the beach. The beautiful gardens make the villa an ideal place to spend time and just relax. There are thirteen different species of mangoes in the property, as well as a chocolate orchard. At only 25 minutes from Old Havana and 15 minutes from Miramar, the villa is secluded enough to provide relaxation, yet is within minutes from all the city centre excitement. You will have 2 luxury suite bedrooms with their en-suite bathrooms available in the Guest House, and 2 bedrooms with shared bathroom in the main house. The garden has a luscious landscape around the pool area, where you can relax and take as much sun as you like. ;
