

Antique Swiss Typewriter (by Hermes) (65 GBP)

Location **South East, Middlesex**
<https://www.freeadsz.co.uk/x-375570-z>

I'm selling an antique Hermes typewriter from Switzerland. It's in a smart condition and fully functional. It comes in a travelling case. I bought it from the owners of a chateau when they were having a clear-out. It's a nice piece as a working typewriter or as a decorative item, but I am moving and have no room for it.
