2007 Wheelhome Sprintaway in very good condition. This caravan has been well looked after and comes complete with an easy erect awning.

These Micro Caravans are very well equipped and have solar panels built in to the roof to allow for use when mains hook ups are unavailable. Fully featured the interior style is like that of a well converted VW camper, features include cooker, microwave and 3 pin electrical sockets.

Amazingly enough for its size the Sprintaway also has a built in power mover which makes pitching easy and effortless. This is a genuine private sale and is offered at a very attractive price. Someone will be a delighted new owner.
