A Classic vehicle - low insurance. This is a Hi-top specialist camper conversion by Recro. In our experience, the best layout there is – it's the same as a VW camper with a rock'n'roll bed – just bigger, and you can stand up. The fittings include a 4' double bed, bottled-gas cooker with 2 rings and grill, fridge, sink with self-contained water tank, built in cupboards, a wardrobe, electric lighting, electric hook-up, curtains, insect window screens and an awning. There is also a double child bed in the roof, swivel seat and two tables. Gloria has just been MOT'd. She had 2 new tyres and is reliable and comfortable. Bodywork is surprisingly good condition for her age. She is J Reg, 1.7l petrol, has a manual gearbox, 94000 miles and MOT to June 2017. We are selling her because we haven't used her much for the last two seasons – getting married and other things got in the way of trips away, and neither of us is getting younger. We will be sorry to see her go as we have had so much fun with her, but we will be delighted if she finds a good and appreciative.
