Here we have an excellent example of the Honda CBR1000RR Fireblade. A Tail tidy has been added to the bike to give a more racing look and de-clutter to back end. This bike is fitted with an Anti Lock Braking System (ABS), so no more need to worry about those drain covers or white lines. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. With a Cat1 alarm for security, this will also reduce those heavy insurance costs. The bike comes with all original keys and manuals as were supplied new. This bike has Full Documented Service History and has had no expense spared in maintaining it. A Hugger has been fitted not only for looks but to keep the dirt from the road hitting the paintwork. Being Fitted with Adjustable Brake and Clutch levers enables the rider to set up the bike as they want it. The bike has also been fitted with a performance exhaust, this allows a little more of a growl upon acceleration, and also allows the throttle to be a lot more responsive. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the riders jacket, they also look nice. The bike has been HPI checked and a Certificate will be presented with the bike. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. All of our bikes also come with 3 years free legal cover. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Coleshill. *NOTE: Alarms can be fitted to any bike at an additional**
