

Stonham Barns Sunday Car Boot is on every Sunday from 8am. Next one is Sunday, June 26th 2016. As well as great weather there is also the Brecklands Country Music Festival on at the same time at Stonham Barns. At the Car Boot the Covered stalls are booking up each week so text me early if you want one. We are now on the big field so there's lots of room and you can just turn up and sell from £5. When you enter Stonham take the left into the field and wait to be positioned. Events often run at the same time as the Car Boot. The following week is History Alive on the 3rd July which will be fascinating. Make sure you check the Events page regularly as we have quite a few good ones this year. See you on Sunday from 8am. Stonham is the one to go to if you want a great relaxing day without being hassled and able to set up in peace. Each week the buyers will increase dramatically and we are lucky to have ones that actually buy. Stonham is known for its one off sellers and Antiques (as well as all the normal Car Boot items) and after 4 years we are getting a good regular crowd of sellers and buyers. Everyone loves Stonham as its unbeatable when the weather is good. It has a great atmosphere, a knowledgeable friendly crowd made up of all ages. Families, young and old, It's dog friendly and caters for the disabled. You can still sell from Five Pounds right up to Ten Pounds for Covered stalls. These are really a hit with the sellers as you can book by texting 07817539168 078175391...(click to reveal full phone number) , pull up behind, set up and sell and pack up and leave at the end of the day. Alternatively, we are still the cheapest in Suffolk so you can just turn up from 8am and sell. Once we are on the field we allow sellers as much space as they require and you can even bring a gazebo and set up. We allow anyone to sell most things the only restriction we have is with plants whereby we allow small vans/cars selling plants grown from home but, they will need to be part of a variety of things sold. Anyone

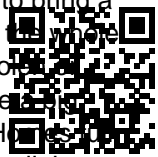

selling old gardening tools etc is fine. Call me if unsure. It's just common sense you just need to bring a van rather than a van full of just flowers. Something I think is really important part of the whole idea of the tradition of Car Boot is the fact that you can say what we fear it isn't being sold as a boot covered with people. I hear there is a problem with many Car Boots but we are not from the foot. We're at the Coastal Leisure Summer Days & Camps & Holiday Home up and filled with Car Boot lovers. We have a guaranteed extra crowd already there. Plus with all the attractions, Chops, Gosh Fish, Owl, Musical Serpent House, Pet Shop, Mos Ladies and so many other things to see and do we are such a great venue for a Car Boot. On top of that we have the big events running in tandem with the Car Boot. Sellers tend to arrive from 8am onwards (we do allow earlier but Stonham wakes up after 9am with the shops and attractions also opening at 10am). We are outdoors only but offer covered stalls. Very open every week irrespective of the weather as we still get buyers and sellers. 073 7539168 081717331... (click to reveal full phone number) click to contact

The House of Commons is the main debating chamber of the United Kingdom. It is the lower house of the bicameral Parliament of the United Kingdom, alongside the House of Lords. The House of Commons is responsible for passing legislation, scrutinising the government, and representing the interests of the British people. It is composed of Members of Parliament (MPs) who are elected by the public in general elections. The House of Commons is a key institution in the UK's democratic system, and its decisions have a significant impact on the country's governance.
