

Stonham Barns Sunday Car Boot Brecklands Country Music Festival on 26th June from 10am to 4pm

Location **East of England, Suffolk**
<https://www.freeadsz.co.uk/x-375938-z>

Stonham Barns Sunday Car Boot is on every Sunday from 8am. Next one is Sunday, June 26th 2016. As well as great weather there is also the Brecklands Country Music Festival on at the same time at Stonham Barns. At the Car Boot the Covered stalls are booking up each week so text me early if you want one. We are now on the big field so there's lots of room and you can just turn up and sell from £5. When you enter Stonham take the left into the field and wait to be positioned. Events often run at the same time as the Car Boot. The following week is History Alive on the 3rd July which will be fascinating. Make sure you check the Events page regularly as we have quite a few good ones this year. See you on Sunday from 8am. Stonham is the one to go to if you want a great relaxing day without being hassled and able to set up in peace. Each week the buyers will increase dramatically and we are lucky to have ones that actually buy. Stonham is known for its one off sellers and Antiques (as well as all the normal Car Boot items) and after 4 years we are getting a good regular crowd of sellers and buyers. Everyone loves Stonham as its unbeatable when the weather is good. It has a great atmosphere, a knowledgeable friendly crowd made up of all ages. Families, young and old, It's dog friendly and caters for the disabled. You can still sell from Five Pounds right up to Ten Pounds for Covered stalls. These are really a hit with the sellers as you can book by texting 07817539168 078175391...(click to reveal full phone number) , pull up behind, set up and sell and pack up and leave at the end of the day. Alternatively, we are still the cheapest in Suffolk so you can just turn up from 8am and sell. Once we are on the field we allow sellers as much space as they require and you can even bring a gazebo and set up. We allow anyone to sell most things the only restriction we have is with plants whereby we allow small vans/cars selling plants grown from home but, they will need to be part of a variety of things sold. Anyone
