Brand new small double mattress measuring 4' x 6'3", (120 cm x 190 cm). RRP £240. Still has the plastic packaging. It is out of the plastic, but it is brand new. As you can see from the pictures, it is a small double for a standard double frame. A miscommunication in ordering. Literally took the pictures directly after realising the size issue. Still have the plastic to wrap it in during transit. This item is collection only I am afraid. Any questions please do let me know. Happy to help. Will also listen to.
