I'm selling a like new L - shaped sofa which has been used only for a little over a month.

It is still super clean and in as good condition as new. It comfortably seats 3-4 people and can be used as a night bed for 1 person as well. It's very comfortable to use and comes with a number of cushions as can be seen in the picture.

Original price was over £600 and I am selling it for £400 (over 35% discount!).

It is priced to sell ASAP. If you want to make an offer let me know.

The buyer will have to pick up the sofa from near Canary Wharf (London) and will have to call/text me so we can arrange a time for pickup.

Cash/Bank transfer both accepted.

PayPal/Moneygram scammers please don't bother contacting me.

Thanks for!
