Modern Suede Corner Sofa with matching armchair & foot stool in brown Suede. This left handed corner suite is an eye catching, extremely stylish looking sofa group that will be a welcome addition to your living room. This sofa is a luxurious three seater sofa (but can easily accommodate 4 or 5 persons!) with rich suede upholstery. It has a stylish left hand orientated corner design featuring straight armrests and will maximise space in a modern apartment or house. Strong solid wood framing and sturdy feet make this sofa robust and durable, while deep and sumptuous seat provide comfort. This corner sofa allows you to place your sofa around your wall to help save space whilst providing ample room for you and your guests to relax on making it ideal for small and large families to use. The suede upholstery can be wiped clean to remove any accidental food spills. eBay item number: 301989920683 019899206...(click to reveal full phone number) Note: It is the buyer's responsibility to ensure there is sufficient access to deliver the sofa into your home and into your chosen location. You should consider vehicle access, lifts, stairs and tight doors. Pay particular attention if there are any right angle turns, lifts, or tight staircases inside your property. The reason for this is that the sofa and armchair may not fit through your main door. Therefore, it may need to be stood upright during your own delivery. If you are unsure check your space before committing to buy. Please double check everything before committing to buy. IF THE SOFA DOES NOT FIT INTO YOUR PROPERTY NO REFUNDS WILL BE GIVEN-SORRY!. In very good overall condition, a few minor scuff marks on the feet of the sofa and arm chair, but not highly visible. Originally cost £1500. Buyer must collect or arrange own.
