

MISSING GREY CAT - POLEGATE EAST SUSSEX (0.01 GBP)

MISSING

MABEL

Missing grey cat since 15.06.16 from the Wannock, Polegate area - (Glen Close)

Female, 2 years old, has been neutered. She has a lilac coloured collar with a round ID tag with her name and contact number, this may have come off?! She has been micro chipped and is registered with St Anne's Veterinary Group.

Not a particularly cuddly cat and usually comes home daily. She's quite "squeaky"/verbal especially if you have food.

Please check your sheds/outhouses etc. as she may have been shut in.

If you have any information or think you have seen her please get in touch, or, contact the local Cats Protection - she is deeply missed. Thank you.
