We provide the following services: - Softwood floor boards restoration - Specialist restoration of parquet floors. - Dirty wooden floors restoration - Wood floors with paint stains restoration - Scratched and worn wooden floors restoration - Wood floors which have wood worm restoration - Hardwood floor boards restoration We strongly believe it is always better to repair or renovate your current wooden floor rather than just replace it. The reasons are many for this. First ot all, the more character and patina, original wood is usually higher quality than modern machined boards. Second, the retention of original features which will undoubtedly enhance your surroundings â€" whether traditional or contemporary â€" more than you could ever imagine. Please contact us at the Lambeth floor sanding and finishing team, if you have more questions or want to book your on-site.
