and much much more

We allow children to explore the uses of mime, spoken word, puppetry, recitation and public speaking through vocal coaching and improvisation use of props as well as scripts and scores.

Perfect for all actors, dancers, and singers who are budding artists wanting the confidence to perform in front of an audience.

We also believe that it is important for pupils not only to learn what happens in front of the curtain but also behind the scenes and to experience what goes on in the making of a theater production, as well as how to adapt their appearance, with costumes and stage makeup.

With the use of our fully qualified, insured and extremely experienced teachers Showoff Dance, Act & Sing Summer School is an exciting way to keep the kids entertained and we look forward to exploring the limits of our pupil's imagination.
