Mini Cooper 1.6, 102,000 miles
MOT til January 2017.

Rear tinted windows, central locking, traction control, electric windows, half leather clean interior, air conditioning, 6 cd changer, one key, 17inch alloys, new radiator recently fitted.

Super reliable car, it has never let me down! I bought it after it had just had a bump up the rear which was hardly noticeable, (i haven't even changed the bumper - see pic) and from this carries a very unnecessary category C which is a real shame!

Very loved car, loads of car for the!
