The second generation model follows in the same footsteps but with some key improvements. It may look very similar, but in fact it is totally new with a stiffer body for better refinement with the roof down. MINI has also changed the rollover hoops which used to block rear visibility, making the model much more driver-friendly, especially when parking. As with any MINI it is great fun to drive while the engines offer a strong combination of performance and economy. few small convertibles can match the sheer desirability and style of the MINI, It's every inch as good to drive too with pin-sharp steering, plenty of grip and a positive gear change. 50 MPG, Six Speed Box, ABS, Alarm, Alloy wheels, Body coloured bumpers, CD, CD Multichanger, Driver's airbag, Electric mirrors, Folding rear seats, Front electric windows, Height adjustable drivers seat, Isofix child seat anchor points, Parking sensors, PAS, Passenger's airbag, Rear electric windows, Remote locking, Service indicator, Side airbags, Steering wheel rake adjustment, Air conditioning, Audio remote, Cruise control, Front fog lights, Leather seat trim, Lumbar support, Metallic Paint, Sports seats, Traction control, comes with a service and "FREE MOT'S 4 LIFE" Only @ www.bondcarsales.com
