(click to reveal full phone number) The Vauxhall Agila is a small car that's roomy and flexible on the inside, much in the same vein as the Honda Jazz and Renault Modus. Its height makes it slightly more versatile than a traditional small car (like Vauxhalls own Corsa) and fold-flat seats means that it has the carrying capacity of a small van, Its available with three engines and the 1.2-litre is the pick of the bunch for a mixture of performance and economy. The Agila is actually built for Vauxhall by Suzuki, The Agila is built for life in the city, so it's no surprise that this is where it's at its best. It lives up to its agile-sounding name with a very tight turning circle and light steering, which makes driving around town easy and squeezing into parking spaces a breeze. 56 mpg, £145 a Year Tax, 3x3 point rear seat belts, ABS, Body coloured bumpers, CD, Cloth seat trim, Driver's airbag, Isofix child seat anchor points, PAS, Passenger's airbag, Side airbags, Audio remote, Electric mirrors, Folding rear seats, Front electric windows, Front fog lights, Heated mirrors, Height adjustable drivers seat, Remote locking, Space saver spare wheel, Steel wheels, Steering wheel rake adjustment, Comes with a service and "FREE MOT & S 4 LIFE" Only @ www.bondcarsales.com
