Keel: Centre board  
Year: 1990  
Trailer: Included  
Length (feet): 17  
Engine Type: Single Outboard  
Beam (feet): 6  
Engine Make: Mariner

A lovely little 17ft cabin day sailer complete with trailer, sails and a 4-stroke outboard engine. A simple sloop rig of 150 ft<sup>2</sup> consisting of 1 main sail, 1 jib and 1 spinnaker. In the transom are two fishing rod holders and a large locker useful for stowing the anchor, life jackets and flares ect... A large open cockpit with varnished coamings and seating either side with two hand bilge pumps amidships. The centreboard

casing is located in the middle of the cockpit. Forwards of the mast is a completely enclosed cabin with a Vee berth which can be converted into a double berth. The cabin has a black woodgrain finish with steel cleats and stainless steel heads. The cabin is painted with a high quality anti-rust 2000 and varnished. The boat has two strakes.

The engine is a 5HP, four stroke Mariner with very little running time. "True Blue" can be launched and recovered easily from most slipways and beaches. Her centre board and drop down rudder blade reduced her draft to inches allowing for easy beaching. A roller reefing mainsail and jib also means she is comfortable in stronger winds and larger swells. I personally have enjoyed cruising True Blue around Falmouth Bay and the Helford Passage and her previous owners have sailed her as far as the Scilly Isles.

Dockrell 17 Day Sailor

---

This would be a great purchase for someone new to sailing who would like to get on the water this coming season or any experienced sailor who is looking for an easily transportable yet capable day sailer. As the boat comes with a trailer I would be happy to deliver within reason (Cornwall). If you would like to visit and have a look I will be more than happy to show the boat sails and engine.

Payment can either be through bank transfer or cash, after a viewing of the boat (email me for arrangements)

Please don't hesitate to ask me any questions, .
