SkyGlide Ltd is a professional Aerial Filming, Photography and Imagery company based in Bedfordshire and now (2016) covering the whole of the UK too! We specialise in the use of Remotely Piloted Aircraft Systems (RPAS) also known as Unmanned Aerial Vehicles (UAV), Unmanned Aerial Systems (UAS) and Drones, to capture the images that can take your business to "New Heights". We hold a current Permission for Aerial Work (PFAW) issued by the Civil Aviation Authority (CAA) and all our pilots are BNUC-S qualified. We have specialist Aerial Operations insurance with £5 million public liability.
