We have just taken this Nissan Juke in as a part exchange against one of our own vehicles and what a lovely example it is. One of our popular selling vehicles at the moment is this brilliant Nissan Juke. They arrive onto our forecourt, they're prepared, and before we know it they're out the door to another happy customer. It really isn't hard to see why either, they've got the great badge of Nissan on the bonnet which we all know has the reputation of Reliability and also great build quality! This little beauty is the Acenta Premium model so that means you got some cheeky little upgrades over the standard Acenta model, such as Sat Nav and a rear parking camera to name a few. As with all of our cars, it's fully HPi clear and comes to you with the promise of a no pressure, genuine sale from people who actually care, read our reviews! At acar2go we bend over backwards to ensure that we deliver customer service which really is second to none. Not only do we look after our customers before and during the sale but afterwards too. What's not to like! Remember acar2go Aston Clinton where you Pay Less and Get More!
