Location **West Midlands, West Midlands** https://www.freeadsz.co.uk/x-386930-z

I'm looking to sell my lovely sofa, chair and footstool as moving to a smaller house and no longer have space for it. It is a dark red/burgundy colour, really comfortable, great condition, sofa come in two parts so easy to uplift and it veyry light. Only had it for 6 months, sad to see it go. For 60 this is a absolute bargain and needs to go by Friday or it's going to.
