Nexus 5X 32GB, phone is less than two months old, was bought from John Lewis for £300 and is still being sold for £280. Phone is like new in condition, and hardly used. as new phone was bought 2 weeks ago. It has no screen or body scratches, marks. And still has original boxing and charger. As it is like new still, asking price is £195 or ONO. I am open to sensible.
