South East, Buckinghamshire

Vintage "Technics" separate/stacking Hi-Fi music system. Bought new in 1980's and been well loved and looked after and although not been used for a few years, tone output was always fantastic. Units consist of the following: Amplifier SUV65a size 38cm x 21cm x 17cm CD Player SLP 550 size 9cm x 44cm x 22cm Double Cassette Player RST230 size 11cm 44cm 22cm Tuner ST600L size 4cm x 44cm 22cm Two Wharfdale Speakers CRS3 size 38cm 21cm 17cm Has been carefully stored but could possibly re-connect to power supply in order to hear tone quality before purchase. Sorry cannot deliver so collection only please. ;
