A low mileage Honda Jazz never takes long to find a new home when it arrives at acar2go and we don't expect this will be here very long. These cars combine the economy of a small car with interior space that seems much bigger on the inside than you would expect. This example is finished in a very nice metallic dark silver with alloy wheels and a is in very clean condition. Honda has become a byword for reliability so we know our customers are likely to enjoy many trouble free years and we sell cars from across the range right up the CR-V. This example has one previous lady owner and comes with lots of features such as air conditioning, front and rear electric windows front and rear, power steering, an up-to-date CD/radio with steering wheel audio controls, comfortable cloth interior, folding rear seats. Come and have a look at this and our fabulous selection of used cars which all come with a 3 month warranty and the peace of mind of buying from a Trading Standards Approved Dealer.
