(\*Finance options available subject to status. Written details available upon request) Hello, my name is Ashley and I work at Barmston Beach Holiday Park. My role here is to give all potential customers the information they need to make a decision on potentially owning a holiday home, I also assist the park and its caravan owners in selling and buying static caravans. The particular model listed in the advert is called the ABI Sunrise and it comes with everything you would need to get up and running for the 2016 season. This includes annual site fees, connections, insurance and even your pots, pans and cutlery too. You have a choice of location on the park also and there are no extra or hidden costs! FUNDING With regards to purchasing a chosen holiday home and means of payment there are more than enough options for our customers to choose from. The most common method is with one of our caravan flexible funding packages where just a 10% deposit will secure your chosen location and holiday home. We have four different funding providers available to choose from and two of those providers consider all customers where a chequered or bad credit history may be involved. PARK DETAILS Barmston Beach is located on the cusp of the East Yorkshire coast, overlooking 8 miles of uninterrupted golden beach and coastal views. The views directly from the park are beyond idyllic, with the iconic high rise stacks and chalk cliffs of Flamborough to the north and the stunning golden beaches of Hornsea to the south. The park also boasts many facilities too, which make it a great place to spend family time together doing things that everyone loves during those much appreciated leisure breaks. Facilities include: \* 1 Large outdoor heated Swimming pool, \* On park beach access, \* Laundrette, \* Shop, \* Amusement arcade, \* Children's 3 story indoor soft play area, \* Children's adventure playground, \* Entertainment, \* Kids club, \* Internet access, \* Wi-Fi in the complex, \* BRAND NEW DEVELOPMENT!! \* 24hr on park security and
