This beautiful gown was not purchased in England so very unique and the detail is amazing the lace detail is encrusted with sequins and crystals with a see through back and neckline with lamb buttons down the back hiding a clever zip, built in bra and boned. Comes with the breathable storage bag . This dress was my wedding dress in May 2016 but is a shame to just store away it is so beautiful and cost £400 when new, it would be really nice to know it has made someone else's day special . Once seen I know you will fall in love cash on pick up only please;
