Hi there we are looking for someone to volunteer to help chop back some trees in our preschool garden. We are a charity run preschool and have very limited funds for carrying out such tasks so wondered if there was anyone out there who could help? We are trying to get our garden ready for September and there is a few other bits that need doing and it's all done by a team of volunteers but I think the trees are possibly too tricky for us to carry out on our own. Thanking you in.
