AN ABSOLUTE BARGAIN as was originally bought for £135! This fantastic looking and VIRTUALLY BRAND NEW (only ridden once) custom built BMX is an exclusive model for E-BikesDirect. Fully loaded features such as a strong durable lightweight freestyle frame, 20" spoke wheels wrapped in Black/White/Red rooster branded 20"x 2.00" tyres, detachable chain guard, all finished in a striking grey paint finish with red touches. This is a brilliant bike in impeccable condition and only need to sell as a family member has bought another one, therefore this one is no longer required and hence the price - it's a bargain and need to sell asap!! You are going to look the part in the skate park and the street on the Rooster.
