The Galaxy is a very rare addition to our forecourt here at acar2go, people tend to hang on to them and so it's not often that we're able to pick one up with such a great history as this one! The Galaxy comes with a Full Service History plus a Comprehensive Multi Point Check. Probably the most important thing to mention here is that this is the TITANIUM X model, that being the absolute best of the best when it comes to these as it quite literally has everything that you could want from a car! The list of gadgets is huge, some of my favourites are the Dual Zone climate control, Bluetooth, automatic rain sensing windscreen wipers and USB connection port that will allow you to charge your phone whilst on the move! ABS, Immobiliser, Alarm, Power Steering, Climate Control, Cruise Control, CD Player, Rear Wash/wipe, Height Adjustable Seat, Rear Headrests, Multiple Airbags, Radio, Folding Rear Seats, Metallic Paintwork, Bluetooth, Isofix, acar2go Multi-point Check, Alloy Wheels, Front & Rear Electric Windows, 3x3 Rear Seatbelts, Auxiliary Input Jack, Parking Sensors Front & Rear, Heated Front Screen, Front Headrests, Heated Rear Screen, Extremely Good Condition, HPI Clear, Full Service History, Panoramic Roof, Well Below the Average
