

Custom Built Windows 10 Gaming PC For Sale (450 GBP)

Location

South East, West Sussex

<https://www.freeadsz.co.uk/x-387790-z>

I'm selling my custom built gaming PC as I no longer have any use for it. It has Windows 10 installed on a 120GB SSD (as a boot drive) with a separate 500GB standard Hard Drive in there for all your other storage needs. Aside from the PC you will also be receiving a monitor / mouse / keyboard / speakers and all the required cables to be up and running in minutes! While I would prefer to sell everything as 1 lot, I am open for reasonable offers for individual items. You will receive the PC straight after a fresh Windows 10 install so you will need to download all necessary drivers. If there is anything else you would like to know please contact me and I will do my best to answer your questions. The PC comes with its original copy of Windows 10 with the packaging + CD Key Components: Coolermaster HAF 912 Gaming Case – With 240mm Coolermaster Fan mounted in the front of the case and 2 x Corsair Air Series AF120-LED 120mm Quiet Edition High Airflow MSI 970 GAMING Socket AM3+ 7.1-Channel HD Audio ATX Motherboard MSI R9 280X GAMING 3GB GDDR5 DVI HDMI DisplayPort PCI-E Graphics Card AMD FX-8320 8-Core 3.5GHz Socket AM3+ 16MB Cache Processor + Arctic Cooling Freezer 7 Pro Cooling Fan HyperX FURY Series 16GB (2x 8GB) DDR3 1866MHz Samsung 120GB 850 EVO Solid State Drive Western Digital 500GB / 16MB Cache Hard Drive TP-LINK TL-WDN4800 N900 Wireless Dual Band PCI Express Adapter 750W OCZ ZS Series Power Supply Extras: Microsoft Sidewinder X6 Keyboard (removable number pad) Redragon Centrophorus 2000 DPI Gaming Mouse BenQ 24" LCD Monitor (model number ET-0027-B) Creative 2.0
