i am selling this netbook it has windows 7 starter preinstalled with bulit in wifi
installed software
SKYPE GOOGLE CHROME
OFFICE 2003
WINRAW
TOTAL MEDIA HD CAM SOFTWARE & Microsoft security essentials virus protection I am selling it as i
can't get hold of seller i brought it off for a new battery for the laptop as the laptop is dead
the laptop it's self is fine it is just the battery problem
it runs fine off of the mains adapter lead
it is a very fast laptop it would be great for a kids first laptop it is in very good condition it looks almost
brand new except for the battery issue but if you want to run it off of the mains adapter it would be a great
little netbook RM MiniBook 120 Intel Atom N2600 250GB HDD 2GB RAM Windows 7 - 77917 is the name
of the netbook i am selling.
it also has a built in mic/webcam
there is no bult in cd/dvd drive but you can pick one up for about £20-£30   ;
