

# WANTED 1980s Raleigh Burner BMX and Parts

Location **London, London**  
<https://www.freeadsz.co.uk/x-388098-z>

I'm looking for a 1980s Raleigh Burner BMX. Any condition considered but preferably not in mint condition as I would like to do it up myself. If you have any, then please message me with details and a price you would like to sell for.

Please only message me if it is defiantly a 1980s bmx. I am not looking for anything newer.

I am also looking for old school bmx parts in red to fit on a 1980s Mongoose.

Again if you have anything please message me.

Thanks for
