Hi there, this is my 2011 yamaha yzf r125. Had this bike for a year and a half, never let me down, never refused to start. It's a shame to part from the bike but moving on up to the bigger bikes. This bike has an gpr exhaust which sounds lovely, has a scuff on one r&g bar end also a scuff on the exhaust, these were there before I had the bike, rear brakes may need changing soon but front brakes have just been done. Perfect little bike in a awesome matte grey colour, if you want to know a bit more or would like to make an offer please give me a text, 07522296112 075222961...(click to reveal full phone number) usually working so I never pick up the phone - £
