

## Direct Bikes DB 2013 (600 GBP)

Location **South East, East Sussex** https://www.freeadsz.co.uk/x-388214-z

I'm selling my Moped as I now have a car...Was used for two years but has not been taken out for over a year due to me not needing it anymore. I have regularly started it up and it has been given a new MOT recently. Very cheap to run - tax is just £17 for a year and it's economic on petrol too. The moped comes with a lock, windshield (not fitted) and a storage compartment on the back (although there is a slight crack in this - new ones can be brought cheaply). There is a large storage compartment under the seat (big enough for the helmet and/or a backpack), which has its own lock too. Viewings are welcome, but if you have any further queries do contact me. Thanks for!
