

Honda Dylan SES 125-4 2004 (requires attention) (420 GBP)

Location

South East, Surrey<https://www.freeadsz.co.uk/x-388624-z>

Owned from new

,20096 miles in good condition for its age with just minor wear and tear.

Colour: silver

MOT till March 2017.

The bike is in fully working order, was fitted with new starter motor brushes April 2015.

THE BIKE IS RUNNING WITH A TOP END RATTLE AT THE MOMENT CAUSING NOISEY OPERATION.

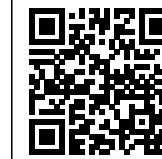

The guy at the Honda garage suggested it has run low on oil at some point in its life and advised an engine strip down to investigate further.

This problem hasn't caused me any problems on my 10 mile daily commute so it isn't something I have worried about.

However, the bike would require work to bring it back to its very best and would suit someone who knows about bike mechanics.

THE BIKE ISN'T BEING LISTED (OR PRICED) AS PERFECT BUT STARTS FIRST TIME EVERYTIME AND WOULD BE A GOOD PURCHASE FOR SOMEONE.

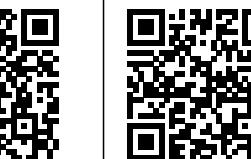

I wish to stress the bike is working fine but engine is noisier than it should.
