The clever use of space in the design of the Cheyenne 632 with ample room to lounge, cook, shower and of course a fixed master bed for sleeping, this practical model is ideal for all of the family. Inside; the front lounge area has two side facing settees & can seat up to 4 people when the cab seats are swivelled. In the evenings this area can be converted into a single bed & could sleep two small children. Overall this is a great motorhome with a fantastic and very usable layout.

3 Berth, Blinds, Awning, Swivel Front Seats, Sink/Drainer, Oven, Grill, Double Bed, Shower, Hand Basin, Rear Washroom, Carpets, Curtains, Reversing camera, End Bedroom, Fixed Bed, TV Aerial, Tow Bar, Full Size Cooker, Mid Side Kitchen, Front Lounge, Trumatic Heater, 2 side facing
